"INSTRUCTIONS AND CONDITIONS"

(These are general instructions and conditions that accompany each bid package. If more specific instructions are given in the individual bid package, those instructions should prevail.)

1. PREPARATION OF BIDS

A. All prices and bids must be typed or neatly handwritten. No erasures are permitted. Errors may be crossed out and corrections typed adjacent and must be initialed in ink by the person signing the bid.

B. Brand names and numbers when given in bids are for reference to establish a quality standard unless "no substitution" is stated in the specifications. Bids on equal items will be considered, provided the bid clearly describes the article offered and it is equal in quality. Specifications used are intended to be open and nonrestrictive. When no reference or change is made on proposal by bidder, it is understood that the specific item named on the proposal shall be furnished by the bidder. If bidding on other than the make**,** model, brand or number shown, and offered as an equal, complete technical information, specifications, manufacturer's name, catalog reference and a catalog cut must be attached to the proposal letter. Failure to include the supportive information will result in the item automatically being rejected. The Board, through its Purchasing Agent, shall be the sole judge in making determination as to the quality. All decisions shall be final.

C. Quote on each item separately. All or nothing bids, items or groups based on other items or other bids, will not be considered. **Prices must be stated in units specified** in the bid in order to be considered.

D. Time of delivery is part of the bid and must be adhered to. If it is impossible to meet the delivery specified in the bid, bidder shall state the best delivery possible in the space provided on the Bid Request. Time shall be stated in days and days shall mean "calendar days".

E. All bids must be signed by a responsible officer or employee. The firm name and telephone number must be shown. Obligations assumed by such signature must be fulfilled.

F. Telephone/fax bids in lieu of this form **will not** be accepted.

Gwinnett County Public Schools
Suwanee, Georgia

2. SUBMISSION OF BIDS

A. Each bid must be submitted on the enclosed form in a sealed envelope with **the <u>company name, opening date and time, and bid number printed on the outside of the envelope.</u>**

B. Bids, modifications to bids or corrections on bids received after the opening time specified will not be considered. The Board will not be responsible for lateness of receipt due to mail delays.

3. AWARDS

A. Awards will not be made to a vendor for less than $500.00 when there are multiple awards on a bid.

B. Bidders agree that their bids are subject to acceptance at anytime within 30 days after opening, unless otherwise stipulated in the bid.

C. The Board may place additional orders or increase quantities at quoted prices in excess of the original bid with the consent of the bidder and for such period of time as may be agreed upon between the Board and the bidder.

D. The Board may accept or reject any or all bids or part of bids and may waive informalities, technicalities and irregularities. The judgment of the Board on such matters shall be final.

E. CONTRACT: The Request for Bid, Bidder's Response and a Purchase Order or Contract and its attachments, either attached hereto or by reference, when received by the successful bidder, shall constitute (1) a binding Contract on the terms set forth herein, and (2) the entire Contract, and it is to be interpreted, construed and given effect in all respects according to the laws of the State of Georgia.

4. PRICES QUOTED

Prices quoted shall be based on F.O.B. delivery our warehouse except where installation is required. Where installation is required, prices are to include all necessary wiring, connecting, leveling, piping, uncrating, moving and all other changes incurred in placing the equipment in operation, unless otherwise specified.

All merchandise requiring installation and which is shipped F.O.B. job site must be received by the successful vendor's regularly employed personnel and the equipment stored in the area designated by the owner's representative. The Board will not assume responsibility for any items which require installation until it is completely installed and demonstrated to the appropriate school officials.

5. SHIPPING AND MARKING

A. All merchandise will be received in our warehouse on weekdays between the hours of 7:00 A.M. and 3:30 P.M. Where two or more items are packaged together, their combined weight shall be no more than two thousand (2,000) pounds.

B. MARKING: Include packing list in each shipment. Packing list must show Gwinnett County Board of Education Purchase Order Number, Contents and Shipper's Name and Address, mark packing list and Invoices covering final Shipment "Order Completed". If no packing list accompanies the shipment, the Buyers count will be accepted. Mark (upper left corner) or each package (box, crate, barrel, bundle, piece) clearly with (1) Shipper's name and address, (2) Contents, (3) Board of Education Purchase Order Number, and (4) Bill of Lading or Express Receipt and on every package the marking specified above, will obligate Shipper for any and all extra cost incurred, including drayage or demurrage.

6. SAMPLES

Samples, when required, must be furnished at the Bidder's expense to the Board. **Samples must be tagged with the bidder's name and Bid Number.** Samples not used or destroyed in testing will be returned to the bidder at his request and at his expense.

The Board will assume no responsibility for items destroyed or stolen when being tested.

7. INVOICES (Three (3) copies required)

All invoices must show the purchase order number, the item number, and should be mailed to Gwinnett County Public Schools, Finance Department, 347 Old Peachtree Road, NW, Suwanee, Georgia 30024-2978.

8. PAYMENT

PAYMENT IN FULL will be made by the Board of Education when an invoice is received indicating that the goods and/or services have been delivered. The Board of Education will also make **PARTIAL PAYMENT** when partial shipment is received, as long as an invoice is received indicating partial delivery.

9. DEFAULT

In the event any property or service to be furnished by the bidder under a Contract or purchase order should for any reason not conform to the specifications contained herein, or to the sample submitted by the bidder with his bid, the Board may reject the property or service. Then, in which event, with specific instructions from the Director of Purchasing, the bidder shall immediately remove the property without expense to the Board and replace all rejected property with such property or service conforming to the specifications or samples.

Should the bidder default in the performance of the foregoing paragraph, the Board may procure such property or services from other sources and shall have the absolute right to deduct from any monies due to the bidder, the difference between the contract price and the actual cost of the property to be replaced or substituted. Price paid by the Board of Education in such event shall be the prevailing market price at the time the substitute purchase is made.

10. COMPLIANCE

All property or services furnished must comply with all applicable Federal, State and Local Laws, Codes and regulations. Successful Bidders must obtain County Permits where necessary.

11. RIGHTS AND REMEDIES

The rights and remedies of the Board provided above shall not be exclusive and are in addition to any other rights and remedies provided by law or under the contract.

12. BIDDERS EVIDENCE OF RESPONSIBILITY

Bidders may be required to furnish evidence in writing that they maintain permanent places of business and have adequate equipment, finances and personnel to furnish the items offered satisfactorily and expeditiously and that they are authorized dealers and can provide necessary services and warranties for items they propose to furnish.

13. SUCCESSFUL BIDDERS

Successful Bidders will be responsible for seeing that all County Inspection Codes are complied with as regarding (1) electrical, (2) gas and (3) water fittings and outlets. **Field Checks** for exact measurements of all spaces for items to be furnished will be the responsibility of the successful bidder. This is to insure proper fitting of all items in the space provided. **Shop Drawings,** if applicable, will be prepared and three (3) copies will be furnished to the Board of Education Purchasing Department, before work is begun.

14. RESPONSE

Failure to respond to Invitation to Bid (submission of bid, or written notice that vendor is unable to bid on this particular request but wishes to remain on the active bidder's list for this particular item) will be understood by the Board of Education to indicate a lack of interest and concurrence in the removal of the vendor's name from the Board's mailing list.

15. DEBARMENT STATUS

By submitting their bid or proposal, all vendors certify that they are not currently debarred from submitting bids or proposals on contracts by any agency of the State of Georgia and the federal government, nor are they an agent of any person or entity that is currently debarred from submitting bids on contracts by any agency of the State of Georgia or the federal government.
